

SASUKE

Java Backend Developer | Computer Science Student

India • +91-XXXXXXXXXX • sasuke@email.com • linkedin.com/in/sasuke • github.com/sasuke

PROFESSIONAL SUMMARY

Motivated Computer Science student with a strong foundation in Java, object-oriented programming, data structures and backend development. Interested in building scalable REST APIs and database-driven applications using Java and Spring Boot. Strong problem-solving mindset with hands-on experience in academic and personal projects.

TECHNICAL SKILLS

Programming	Java, SQL, HTML, CSS, JavaScript
Backend	Spring Boot, REST APIs, Hibernate/JPA, Maven
Databases	PostgreSQL, MySQL
Core Java	OOP, Collections, Exception Handling, Multithreading, Java 8+ Features
Tools	Git, GitHub, IntelliJ IDEA, VS Code, Postman
CS Fundamentals	Data Structures & Algorithms, DBMS, Operating Systems, Computer Networks

PROJECTS

Weather Application | Java, Spring Boot, PostgreSQL, REST API

- Developed a backend service to retrieve and process weather information through REST APIs.
- Implemented Spring Boot controllers, services and repository layers following a clean architecture.
- Integrated PostgreSQL for storing user/search data and used JPA/Hibernate for database operations.
- Tested API endpoints using Postman and managed source code with Git/GitHub.

Java Task Management System | Java, Spring Boot, PostgreSQL

- Built CRUD functionality for creating, updating, deleting and tracking tasks.
- Applied object-oriented design principles and exception handling to improve maintainability.
- Designed relational database tables and implemented persistence using Spring Data JPA.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science and Engineering

Your College Name, India | 2023 – 2027 | CGPA: X.XX/10

CERTIFICATIONS

- Java Programming / Core Java Certification
- Data Structures & Algorithms Certification
- Spring Boot / Backend Development Certification

ACHIEVEMENTS & ACTIVITIES

- Participated in coding contests and hackathons.
- Regularly practices Data Structures and Algorithms on coding platforms.
- Interested in backend engineering, API development and software problem solving.

ADDITIONAL INFORMATION

Languages: English, Telugu

Interests: Backend Development, Competitive Programming, Software Engineering
